

Dear IPF Community,

normally every year the IWGA is running a voting for the Athlete of the year and the IPF representatives were very successful over the last years (2019 - Rhaea Stinn - third place; 2018 - Jennifer Thompson - second place; 2017 Larysa Soloviova - second place).

This year the IWGA is celebrating its 40th Anniversary and for this reason the IWGA will run a voting for the **GREATEST ATHLETE of ALL TIME**.

The IPF nominated **Larysa Soloviova** of the reason that she is the only 4 times Gold medalist at the World Games, as well as a multiple IPF World Champion and World Record holder.

Larysa is a role model of a powerlifter and therefore really deserves this nomination.

With this nomination it is also our goal to put all our energy in the promotion of Larysa and to motivate the powerlifting community to vote for her.

Please take a look on the presentation of Larysa and the link for the voting as well as the voting rules.

***Please forward this information to as many friends of you as possible and motivate them personally to also vote for Larysa.***

With this voting we want to show our great sport of powerlifting to the sports world and what a great community with great lifters we have. We will publish videos and information on our social media channels and keep you informed about the voting.

So, please follow us on Facebook, Instagram and Twitter and spread word about this voting daily through reposting and asking your friends to contribute as well.

Respectfully

Gaston Parage  
IPF President
